TERMS AND CONDITIONS OF SALE

Traceability

The customer must be able to trace the product from the point of receipt up to the end user. Information related to product's traceability must be available at any time and sent upon FCI request with no delay. Complete records must be kept and made immediately accessible for review or audit.

Claim

All complaints about products must be reported to FCI export department¹, providing the lot or product serial number (if applicable).

Dispute - law

This sales contract is governed by the Laws of France. Should any disagreement arise, the Tribunal of Paris shall have jurisdiction.

Transfer of ownership-shipping-insurance

The product remains the property of FCI until full payment of the corresponding invoice is received. Prices are Ex-works Besançon, France. Insurance and shipping charges are at customer's expense and responsibility upon delivery or added to invoice.

Guarantee

Any product found to have a manufacturing defect under normal use (see instructions for use) and reasonable care will be replaced free of charge.

Return policy

Defective merchandise, or merchandise shipped by FCI mistake may be returned for replacement or full credit within 30 days from invoicing date. However, prior authorization **MUST** be obtained and the corresponding RMA (Returned Merchandise Authorization) number **MUST** be quoted on all correspondence. In addition, the corresponding documentation **MUST** be sent along with a completed form ENR 818 duly signed and stamped. Returned merchandise must be properly packaged to prevent damage during shipment. Returned merchandise (except defective product) must be in saleable condition (see Return Instructions).

Return instructions

After obtaining the necessary RMA number from FCI, the following conditions are required to receive credit on returned products:

- ◆ Product's packaging is unopened, undamaged, and original labeling is intact.
- ◆ Detailed instructions on where and how to return products have been strictly followed.
- ◆ Products arrive at FCI with a minimum 12 months remaining shelf-life.
